Luxury Places SA is a Swiss company, with offices in Geneva and in Lausanne, specializing in charming and luxury real estate in Switzerland and abroad. We are organized in three business lines:

- Luxury Places, prestige properties on Lake Geneva and in the Alps
- Côtelac, charming properties in Lake Geneva region
- International Showcase, residential or investment realties abroad

Luxury Places specializes in buying, selling and promoting exceptional properties and does not deal with anything outside this very specific segment. We can thus guarantee vendors a perfect positioning for their property. Buyers are only shown properties within their search criteria. Luxury Places works exclusively with local and international clients, High Net Worth Individuals .

(HNWI), looking to acquire a main residence or a holiday home. We offer a large selection over 250 luxury properties in the region. Our clients receive a bespoke service so as to guarantee vendors and buyers maximum quality with minimum inconvenience.

LUXURY PLACES
PROPRIÉTÉS DE PRESTIGE

At Cotélac, the properties sold are meticulously selected in order to meet aesthetic and demanding buyers' expectations. As a result, the quality of our portfolio and our range of services takes precedence over the quantity of listed properties. We give priority to architectural style, construction quality, finishing touches, interior aesthetics and layout, the nature of the location and neighborhood, with the aim of offering our clients a home that perfectly suits the quality of life offered by the region where we position ourselves.
